Ask the Geriatrician

Carrie Allen, PharmD, CGP

Help! My Mother is on Drugs!

Presenter: Carrie Allen, PharmD, CGP

Older adults and their caregivers must be aware of prescription and non-prescription medications since results can be deadly. Let's begin with Tylenol and its possible side effects. Then consider high blood pressure medication, psychotropic drugs, herbal supplements and over the counter drugs. Carrie Allen, who specializes in geriatric pharmacy, will help older adults and caregivers understand polypharmacy and health. Submit specific questions in advance to info@mmLearn.org and don't miss this very important Ask the Geriatrician session!
