## **Transfer Trauma:**

**A Trip to the ER Can Put an Older Adult at Risk**

Wednesday, September 22 \* 10:00 am CDT

Seniors who leave their home for emergency room visits or hospital admissions are at risk for suffering transfer trauma, increased infections, bed sores and other serious conditions. Dr Raji will provide an informative look at how we can reduce the need for these transfers.

## **Bad Drugs:**

**It might not be dementia—it might be the medication.**

Wednesday, September 22 \* 11:15 am CDT

Dr. Raji will discuss drugs that kill your memory and identify those drugs that do more harm than good for seniors.
