About Eva's Heroes

Eva's Heroes was founded by actress Eva Longoria Parker to enrich the lives of people with intellectual special needs. Based in San Antonio, the organization helps teens and young adults, who are developmentally challenged, integrate and flourish in society. This cause is dedicated to providing an inclusive setting built on four tenets: interact, grow, learn, and love.

Why donate?

Eva's Heroes offers unique opportunities for these young men and women to experience that they may not be able to experience elsewhere. The organization also hosts special events throughout the year that serve as fundraisers contributing to the enhancement and growth of Eva's Heroes Enrichment Programs.
