## Upcoming June Events!

### Kids Day Out San Antonio, TX

Need to get away for a few hours this summer?!?  
Join EFCST for summer FUN days! KiDS DAY OUT is a FREE summer program for children with epilepsy. Kids will enjoy FUN activities such as arts & crafts, games, movies & more. For more information [click here](#) to download the flyer.

### Living With Epilepsy June 9, 2010 Austin, TX

The Epilepsy Foundation Central & South Texas has teamed up with Dr. Sami Aboumatar, Neuro Texas Institute, and St. David's Medical Center for a FREE Seminar.

Dr. Aboumatar, Epileptologist and affiliate member of Neuro Texas Institute will share information on Diagnosis and Treatment of Epilepsy, What Causes Epilepsy, and Research and Advancements in Care.

A complimentary light dinner will be served. Please RSVP by June 7th, to (512) 544-9000. To download the flyer [click here](#).

### Epilepsy Information Series June 9, 2010 Comfort, TX

Join EFCST for an Epilepsy Community Education & Employment Series! This series of educational seminars has been designed to reach out to persons living in and around Kendall County. Watch for upcoming sessions in a county near you. To download the flyer [click here](#).

Epilepsy & TBI  
June 17, 2010  
San Antonio, TX

Join the Epilepsy Foundation Central & South Texas for this unique epilepsy educational session designed specifically to meet the educational needs of Veterans (OIF/OEF) and their families. Session is open to Veterans and their families/caregivers in all branches of the military including National Guard and Reserves. To download the flyer [click here](#).

Treatment Options if Drugs Don't Work for Your Seizures  
June 24, 2010  
San Antonio, TX

You are cordially invited to a free Patient Education Program for persons with epilepsy and their families. Find out what refractory epilepsy is, what other treatment options are available and what is VNS therapy. To download the flyer [click here](#).
