

SAN ANTONIO
MASTERSINGERS

AUGUST 17, 2010

Dear Friend of the San Antonio Mastersingers,

As many as 5.3 million Americans have Alzheimer's Disease, an incurable, degenerative and terminal disorder. According to the Alzheimer's Association, in 2010, there were 340,000 cases in Texas alone – a 26% increase from 2000. There is no cure, but with the right treatment and care, the quality of life for people with Alzheimer's can be improved.

This November, as part of our community outreach program and Alzheimer's Awareness Month, the San Antonio Mastersingers will be presenting "Alzheimer's Stories," a concert to benefit Alzheimer's Disease research and treatment efforts. There will be two performances – the first, November 19, 2010, will be at First Baptist Church, San Antonio, TX and the second, November 20, 2010, will be at First Presbyterian Church, Kerrville, TX.

The San Antonio Mastersingers, a 130+ member volunteer chorus affiliated with the San Antonio Symphony, is a community-minded group. In addition to performing with the Symphony, we have sung with the San Antonio Opera and Andrea Bocelli and performed Mozart's Solemn Vespers as a stand-alone group in New York City's Carnegie Hall. We have also presented a number of concerts to assist with a variety of fundraising efforts, most notably our annual "Musical Shower of Roses" concert to raise funds for the restoration of The Basilica of the National Shrine of the Little Flower, one of our city's treasured landmarks. Our "Sing for the Cure" concert last year netted approximately \$11,000 for breast cancer research and education. Our goal is to exceed that amount this year for our "Alzheimer's Stories" event.

We anticipate that the costs incurred for producing the two "Alzheimer's Stories" concerts will total approximately \$22,000. This includes choral scores, instrumental parts, hall rental, publicity/posters, programs, recording, moving crew/truck rental, orchestra, miscellaneous fees and stipends for the conductor.

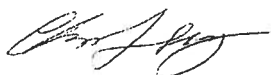

Please consider making a tax-deductible donation to help support this worthy endeavor. All profits will be donated to Alzheimer's Disease research and treatment organizations in San Antonio and in Kerrville. The San Antonio Mastersingers is a 501-C-3 non-profit organization.

In addition to purchasing tickets for this event, there are a number of ways you can help:

- Sponsorships – A variety of levels are available, with acknowledgement in the program
- Advertising – Purchase a full, half, or quarter page ad in the program
- Honoring a "Loved One of Note" – Purchase a "purple note" on our music staff display to memorialize or honor the life of a loved one who has battled Alzheimer's Disease.

A sponsorship form is enclosed. Thank you in advance for your support.

Sincerely,

Charles L. (Chuck) Ward, Board Chairman
