Learn how to lower health care costs and stay healthy

Get answers to your Medicare questions

The Alamo Area Council of Governments/Bexar Area Agency on Aging will have certified Benefit Counselors available to assist you with comparing the cost or benefits of your Medicare health plan. They will also get answers to your Medicare questions, provide options on how to lower health care costs and stay healthy. The benefit counselors will also assist you to apply for the extra help.

We encourage everyone to take advantage of the expertise of the benefit counselors to assist you in reviewing the 2011 costs and coverage of your current plan, compare it with other plans in your area that meets your needs and budget.

For more information, please contact the Alamo Service Connection at (210) 477-3275.
