

“Triumph from Tragedy”

A Children’s Education Foundation

Triumph from Tragedy is a Children’s Education Foundation. The Foundation was created to help children who have been affected directly by a crash involving driving while intoxicated. The lives of these children are often affected in a dramatic fashion. Their lives--in addition to the lives of their parents and family--are instantly thrust into demanding circumstances. Such circumstances can result in not having the resources to attain the dreams set fourth by their parents prior to the crash. In spite of involvement in the crash, we believe all children have the right to keep hope in their goals and aspirations. Unfortunately, these crashes are more frequent in our society today than most people realize. No one comes out unscathed from these horrible incidents. It is a tragedy which we pray that will never occur again because the loss and aftermath are horrible ordeals for all families involved. This organization was created after a co-founder’s son was involved in a drunk driving crash.

After the accident, the circle of friends and family return to their own everyday routine of work and family. The immediate families of those involved have to adapt to life without a loved one, or to a debilitated loved one, with loss of income and assistance with care of children and home maintenance. This Foundation was created to be a true resource for any child that needs us. With the help of the San Antonio community, known for a kind spirit and generosity, I am certain that we can make a notable difference and be able to help fulfill the dreams of education that all children deserve.

Triumph from Tragedy invites you to join us at Our First Annual Casino Night Event. It is: Saturday, Aug. 8th, 6:30 TO 11 p.m. at VFW POST 76 (“THE WHITE HOUSE” on the River), 10 Tenth and Avenue B, San Antonio.
