Recruit Your Friends:

Walk A Mile in My Shoes is a great event to participate in with your friends. Invite friends, colleagues, fellow church members, and family to join you for a great day outdoors, while helping out a worthy cause. Come up with a name for your team and you are on your way!

Set Goals:

Encourage participation and gather people for teams. Have a contest on how much money can be raised. Find out if your employer (or team member's employer) has a corporate matching plan to increase your donations.

A life of possibilities for people
with intellectual disabilities.

Bexar County is home to more than 8,000 children and adults with intellectual and/or developmental disabilities.

Mosaic in South Central Texas invites you to walk in the shoes of someone with an intellectual or developmental disability. Share in our mission. Partner, support, and advocate so that everyone may realize God's gift of wholeness of life.

Your registration and donations will provide funding needed for vital services such as physical, equestrian, vocational, speech, and other additional therapies. Most of these supports are not covered by Medicaid or Medicare.

Please sponsor, underwrite, fundraise, or walk with us to make possibilities a reality.

We ...
