Redesigning Communities for Aging in Place: Developing a Livable San Antonio Metro Region for All Ages

Date: Thursday June 11, 2009
Time: 9:00 a.m. to 1:30 p.m.
*Registration 9:00 a.m.-9:30 a.m.
Location: Guadalupe Cultural Arts Center
1300 Guadalupe Street
San Antonio, TX 78207

Join a select gathering of key innovators and representatives from across the San Antonio Metro Region and contribute to a national conversation on aging co-hosted by the Alamo Area Council of Governments, Alamo and Bexar Area Agencies on Aging, City of San Antonio and the WellMed Charitable Foundation.

The San Antonio Metro Region was chosen to host one of a series of dynamic workshops highlighting the opportunity to improve livability for persons of all ages. Communities that are user-friendly for people of all ages, abilities and aspirations will have a competitive edge over other jurisdictions. **Redesigning Communities for Aging in Place** will focus on assets already in place and how they can be improved, particularly health and wellness, social integration, planning and mobility.

The workshop is free and includes lunch and information on obtaining a JumpStart grant (\$1,000-\$2,500) to keep the conversation going. Reservations are required and space is limited. Visit [www.aginginplaceinitiative.org/San Antonio](http://www.aginginplaceinitiative.org/SanAntonio) to register and learn more.
